Chancemont LeBlanc is an immortal on a mission of vengeance. Nothing will stop him, not even the time barrier. Seelie Fae Princess Royce has been sent by Queen Aaibhe to join him on his mission in an effort to sever her constant need to be with humans. She has broken the rules, one time too many and the Queen wants her to grow up!

Royce doesn't want to be part of Chance's team. He most definitely doesn't want her on his team and from the start—fireworks.

The Dark Prince Pestale is still free after the war between the Seelie Fae. Chance has him on the run, but the Dark Fae has seen princess Royce and decided the beautiful princess with the flaming red hair must be his.

Purposes will collide—Through Time-Pursuit.
