Sequel to Tigers and Devils

After an eventful and sometimes uncomfortably public courtship, Simon Murray and Declan Tyler settled into a comfortable life together. Now retired from the AFL, Declan works as a football commentator; Simon develops programs with queer content for a community television station.

Despite their public professional lives, Simon and Declan manage to keep their private life out of the spotlight. Their major concerns revolve around supporting their friends through infertility and relationship problems—until Greg Heyward, Declan's ex-partner, outs himself in a transparent bid for attention.

Though Simon and Declan are furious with Greg and his media antics, they can't agree on what to do about it. Declan insists they should maintain a dignified silence, but both he and Simon keep getting drawn into Heyward's games. Simon

and Declan will once again have to ride out the media storm before they can return their attention to what really matters: each other.
