*He can't stand omega wolves. So why does touching this one set his heart on fire?*

Billionaire alpha shifter Jackson Young doesn't like omega wolves. They're weak, submissive, and scheming. He doesn't have time for that kind of man in his life. But when a waiter at one of Jackson's high-powered events spills ice water all over the alpha's tux, he comes face to face with a shifter his wolf immediately claims as mate. Only this "mate" is an omega shifter named Blake Mitchell. As hard as Jackson tries to deny the instant and powerful attraction between them, he soon finds himself pinning the omega to the wall and claiming him with a passionate kiss. That kiss leads to a whole lot of fun...and a whole lot of trouble. After spending a scorching night together, the omega vanishes. Jackson would chalk the whole thing up to a night of no-strings fun, but he struggles to put the shifter out of his mind. Until Blake shows up again much later, very pregnant with Jackson's baby...

After an unforgettably sexy night with the handsome billionaire alpha, Blake returns to his old routine of struggling to make ends meet. He figured that after Jackson got what he wanted from him, the wealthy and powerful wolf would vanish back into his glamorous lifestyle, leaving Blake with only memories. That was fine...until he heads to the doctor for flu symptoms and finds out he's pregnant. Now he has no choice but to track Jackson down again. This time Jackson doesn't seem so eager to see him. He must teach this reluctant alpha that omega wolves can be strong too. Because it isn't only desire that heats their blood and melts their hearts. It's something even deeper.

*Reader note: contains M/M Mpreg, male male love, and hot romance elements. A stand-alone story with a happily ever after*
