Here, presented in one volume, are the four stories that comprise the 'Touch me' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions of sex and emotion.

Jenny Rafter wakes up one bright Monday morning with a boyfriend beside her and a job to look forward to. But two hours later, she is fired from her job, and finds out her boyfriend has withdrawn every last cent of her savings from her bank account. Heartbroken and broke, she calls up her childhood friend for help. She is desperate, and when he asks her to come to New York to stay with him, her worries are allayed. But Jenny is in for a surprise when she sees Cooper Farrell. The sandy-haired, blue-eyed boy she had once played hide-and-seek with is gone, replaced by a breathtakingly gorgeous entrepreneur who makes her stammer and shake in

her boots.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
