On *Perfect Harmony*, the ambitious competitors heat things up on stage and off...

Cody Rivers is determined to be a rock star, but couch-surfing between bar shows gets old fast. Joining an a cappella group for a new singing competition show could be his last chance at real fame—unless the college boy from the heart of the country messes it up for him. Lucas Norwood is everything gothy, glittery Cody is not—conservative, clean-cut, and virginal. But when a twist in the show forces them together, even the sweetest songs get steamy as the attraction between them lights up the stage. Lucas wants to take it slow, but Cody's singing a different tune—and this time it may be a love song...
