Imagine that all around you, hidden from sight, there are thousands of tiny people. They are four inches tall, brave, stubborn and resourceful. They are the nomes.

The nomes in this story live under the floorboards of a large Department Store and have never been Outside. In fact, they don't even *believe* in Outside. But new nomes arrive, from - where else? - and they bring with them terrifying news: the Store is closing down and Everything Must Go . . .

The fantastically funny first book of the nomes, from the author of the bestselling Discworld series.
