Turning PRO

Tap Your Inner Power and
Create Your Life's Work

The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from amateur life to a professional practice.

"You don't need to take a course or buy a product. All you have to do is change your mind." -- Steven Pressfield

What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace
