Two guys meet outside of a small town girlie bar. Both of them would rather be anywhere else.

Gabe needs a sober ride home without his douchebag ex bringing him down. Lincoln needs to put the mistakes that brought him to Hollow Forge behind him for good. A simple lift back to campus turns into one night together that leaves them both wanting more. One night becomes two, but soon their pasts are knocking at the door and the clock is running out on their weekend.
