Vinteren er ved at slippe sit tag i Stockholm, der er forår i luften. Og uro. En bølge af dræbte katte skyller ind over forstæderne syd for Stockholm. Kriminalinspektør Conny Sjöberg aner ikke, hvad han skal stille op med de døde katte, og det er kun begyndelsen på en spiral af uforklarlige hændelser. Kort efter bliver den anerkendte psykolog Gisela Bohn fundet druknet i sit eget badekar.

Det dødsfald giver for alvor Sjöberg og hans team noget at tænke over. Problemet er, at det eneste umiddelbare spor mellem hændelserne er vand. Og død.

TYKKERE END VAND er en foruroligende kriminalroman om, hvor svært det er at frigøre sig fra sin historie. Fra sin familie. Og fra de drifter og dæmoner, som konstant former og forfølger os.
