The crew are in the wild Philippines and a secret threatens to end the world, in the new rip-roaring *Oregon Files* novel, from THE Adventure King himself, Clive Cussler.

Juan Cabrillo and the crew of the *Oregon* are about to sail into a perfect storm of danger. Their mission? To stop a new world war . . .

Hired to search for a collection of paintings worth half a billion dollars, Juan Cabrillo soon finds himself in much deeper waters when he discovers the vicious leader of a Filipino insurgency is using the paintings they seek to finance his attacks.

Far worse, Salvadore Locsin has stumbled upon a deadly secret of World War II: a serum designed to create an army of super-warriors.

With Locsin's plan threatening to engulf Asia in war, *Oregon's* crew must take on the rebel commander, a South African mercenary intent on taking the drug for himself, a swarm of torpedo drones targeting the US Navy, and a gathering megastorm.

For Juan and his elite team, failure is not an option. An apocalyptic world war is on the horizon, and only they can stand in its way.

***Typhoon Fury* is a masterful suspense novel, full of the adventure, break-neck pace and danger that make Clive Cussler an unbeatable storyteller.**
