Warning: This is not a story about fate or destiny. This is a story about pain, sorrow, and suffering. This is an impulsive whirlwind romance between two lovers that are not meant to be together. Theirs is not a world with sunshine and roses. Instead, their love blossoms in a secret world full of crime, violence, and death. Their story is about what can be born from nightmares.

Danielle “Danny” West is the daughter of Deuce West, President of the Hell’s Horsemen Motorcycle Club. A sweet and beautiful girl, she loses her way, searching for things that are always out of her reach. Erik “Ripper” Jacobs is the Sergeant at Arms in the Hell’s Horsemen. Once a man who always had a smile on his face, his life takes a turn for the worst when a tragedy befalls him, leaving him scarred and broken. During a midsummer night, Danny and Ripper’s paths cross, forever changing their lives. Hastily, their lust turns to love until another tragedy forces them apart. On a journey that is marred with ugliness and chaos, Danny and Ripper must discover if their unforeseen connection can find the beauty in their world.

This is Danny and Ripper’s story.

Everything has beauty. Even the ugly. Especially the ugly.
Because without ugly, there would be no beauty.
