Brenda K. Davies DbsBook

When Jack escapes the vampires holding him captive, he thinks his biggest worries are finding his friends and avoiding the Savages pursuing him...until he stumbles across Charlie. He's not sure what's more dangerous, the vampires hunting him or the woman who harbors more secrets than the island where he's trapped.

Charlie wasn't expecting Jack to fall into her life, but now that he has, she's not sure what to do with him. She can't leave him behind to be hunted, but her growing attraction to him frightens her more than the Savages. Though Jack's a tempting distraction, love has no place on this island, and Charlie refuses to let him get in her way. She's escaping the island—with or without him.

Can they work together to survive the horrors of the island, or will they perish like so many before them?

Due to sexual content, violence, and language, this book is recommended for readers 18+ years of age.
