Brandon: I'd kill for her. I want to see the bastard who murdered her mother burn in hell. No other woman has made me feel so much. My heart aches for her more than my cock does. I want her to be mine. I want to own every ounce of her body and her soul. But I'm trapped by another who's holding a gun to my balls

Zoey: Who am I kidding? I'm helplessly and hopelessly in love with my boss, Hollywood heartthrob, Brandon Taylor. Our pasts are entwined just like our hearts. He makes me feel things in places I've never known before. But I don't stand a chance against America's It Girl, Katrina Moore. Forget it. There won't be a happily ever after for me.

As his memory returns, Brandon's need to dominate and possess his curvy assistant in every way consumes him while Zoey finds herself succumbing to his magnetic charm. Unexpected events and a fluffy little dog bring the twosome closer to their destiny, but an evil force threatens to end their journey. Fate's a bitch, right?
