Brandon

Anytime I heard someone speak of the boom, I laughed. Surely only crazy people believe they can fall in love as soon as they lay eyes on someone.

I thought it was all in their heads until the moment she walked into my office asking for a job.

The instant my gaze locked with hers, I knew she was mine, and I would do anything in my power to protect her.

Aroura

I never thought I would be applying for a job at a strip club, yet there I was.

When the stunning owner offered me a job, I thought taking off my clothes would be the most nerve wracking thing.

When I walked in the next morning, I found out I wouldn't be stripping, I'd be working side by side with him.

It doesn't make sense for a man like him to desire a woman like me—a woman with baggage and a past.

One phone call changes everything and I'm forced to realize that until Brandon, I might have had it hard, but with him I will have it all.

Until Brandon was previously published as part of the Happily Ever Alpha Kindle World..
