From the BESTSELLING author of *BIG LITTLE LIES* . . .

How can ten years of your life just disappear?

Alice is twenty-nine.

She adores sleep, chocolate, and her ramshackle new house.

She's newly engaged to the wonderful Nick

. . . and is pregnant with her first baby.

**There's just one problem. That was ten years ago . . .**

Alice slipped in her step-aerobics class, hit her head and lost a decade.

Now she's a grown-up, bossy mother of three in the middle of a nasty divorce and her beloved sister Elisabeth isn't speaking to her.

**This is her life but not as she knows it.**

**Just how many mistakes can you make in a decade?**

**Can she ever get back to the woman she used to be?**

'Gripping, thought-provoking and funny' *Marie Claire*

'Captivating' *Closer*

'Funny and knowing about what we choose to remember, and fight to forget' *O Magazine*

'A bittersweet tale by a gifted writer' *Woman's Weekly*

**If you loved *What Alice Forgot*, don't miss Liane's new book, *Nine Perfect Strangers*, available now.**
