From *New York Times* bestselling author, J. Daniels, comes a sexy new STANDALONE novel.

Riley Tennyson has made a huge mistake.

At least, that's what she keeps telling herself.

Showing up to her brother's wedding pissed off and newly single, Riley seeks comfort in solitude and an open bar, until the gorgeous and irresistibly charming CJ Tully makes her a better offer—a wild night with the master of smooth-talking where nothing is off limits.

Riley does what any single woman would do, and a connection is made. One neither one of them can ignore. But when she comes home to the boyfriend she no longer thought she had, Riley buries her secret and begs CJ to do the same.

Forget about each other. It was a mistake. That's all it was...

right?

Desires are hidden. Distance is kept. Until one night CJ makes the ultimate sacrifice, and Riley can no longer avoid the man she can't stop thinking about.

Not with him sleeping down the hall...
