From *New York Times* bestselling author, J. Daniels, comes a sexy new STANDALONE novel.

For the past nine years, I've kept my heart as far away from my dick as possible. Those two can't be anywhere near each other. They don't play nice, and one of them undoubtedly winds up getting hurt.

Not my dick. My dick is good.

The women I take home know exactly what they're getting from me—sex. Nothing more. At least, that's what's supposed to happen. The sweet brunette from Kentucky I set my sights on tonight shouldn't have been any different. I had her right where I wanted her. Where I needed her. But when my past comes walking into McGill's pub, the woman in my arms decides to take things to a whole new level, putting me into a situation I never saw coming.

My heart is about to get f**ked. My dick can sit this one out.
