Every parent is different. Every child is unique. But when the parent is a narcissist, there are patterns and behaviors that are specific to how they relate to their child. These patterns and behaviors can set the stage for how the child's self image develops. The purpose of this book is to present these manifestations in a distilled format, simple and ordinary, to demystify the dynamic to help individuals grow and let go.

Uncovering origins, patterns, and unconscious dynamics—to help you grow and let go
