From *New York Times* bestselling author, J. Daniels, comes the fourth book in the sexy and hilariously charming Alabama Summer series.

Ben and Mia Kelly can't seem to catch a break.

Grueling night shift and opposing schedules have left the passionate couple geared up and ready for some much needed alone time. There's only one thing standing in their way.

Parenthood.

With two curious boys who have mastered the art of cock-blocking roaming the house, Ben and Mia, sexually frustrated beyond reason, quickly resort to surprise sexcapades and naughty little trysts whenever and however they can get them.

Who said anything about keeping things legal?

Assume the position. Things are about to heat up in the south.
