Wild Billionaires After Dark are a series of stand-alone romances that may also be enjoyed as part of the larger Love in Bloom series.

“If you’re interested in books with super-hot alpha males, ridiculously sexy heroines and need-to-take-a-cold-shower love scenes, this is the series for you!” M. Engel, Book Mama Blog

Indulge your inner vixen. Meet the Wild Boys... Four sinfully sexy, uber alpha brothers, about to fall head over heels for their leading ladies. The BILLIONAIRES AFTER DARK series is loosely tied to the Love in Bloom series.

No last names. No strings. No ties.
Except of the silk variety.

Dr. Heath Wild and Allyson Jenner only wanted a simple tryst. But Heath couldn’t live with just one night, just one taste, of Ally—and Ally couldn’t escape the memory of his hands on her skin, the way he looked at her like she was his obsession, or his seduction, which had pushed her to the edge and had made her want to do things she never had before.

One night leads to one tantalizing phone call. Can one phone call lead to forever?
