She's a feisty farmer's daughter. He's a young, virile Alpha Wolf. When fate brings them together, it could destroy everyone they love.

It's 1965 and farmer's daughter Patricia Bonner is used to her simple, quiet life on Wild Lake. After losing her mother far too young, she's known her duty was to care for her grieving father and little brother. When sexy Alpha wolf, Luke McGraw wanders onto Patricia's farm looking for sanctuary, their intense physical attraction to each other takes them both by surprise. Neither of them can afford to give into it if they want to protect everyone else they care about. As a newly risen leader, Luke's in for a fight if he wants to keep and defend his pack. Loving Luke could threaten Wild Lake and put Patricia's family in a world of hurt. The pack war of a century is brewing and danger is coming for Luke from all sides. Patricia's wrenching choice could rip her family and the pack apart.

Reader's Note: This is Pat and Luke McGraw's story and takes place roughly 50 years before the events in the main Wild Lake Wolves series. You don't need to have read the other books in the series to enjoy this one. Each book in the Wild Lake Wolves series (including this one) is a full length, standalone, cliffhanger free, super sexy werewolf shifter romance.
