The first time I saw Beau Smith's face, I fell for him... hard. There's just a few tiny problems. He lives wild. I've never left the city. He wants a wife who can handle his harsh world. I just want him.

He's been burnt in the past, and he won't let me in easily, but there's no denying the spark between us, so intense it could set the woods on fire. And with every hot and dirty night we spend together, I can feel his walls crumbling.

But once he realizes I'm not what he signed up for, that I lied to him about who I am—will he still want me, or will I lose my wild man forever?

Warning: The Smith Brothers are not just identical twins, they're big, burly, bearded, insanely hot mountain men. They're also sweet, and very, very dirty. Did I mention dirty?
