In this sexy new CALL series spin-off series by New York Times bestseller Emma Hart, enter the intense world of a no strings relationship and experience addiction like you never expected...

The moment I walked in to find Mr. Tall, Dark, Handsome, and Oh So British--my mind-blowing one night stand--as my photographer for the shoot that could change it all, I knew life was throwing me a curveball.

The moment he, Tyler Stone, walked into my best friend's apartment, I knew that curveball was heading straight for my gut.

The hit comes in the form of a no-strings proposition... One that gives him utter control over my body.

If I surrender, that curveball is steadily en-route for a collision course with my heart.

He's a sex addict. I'm a love addict.
This is temptation.

Wild Temptation is preceded by a prequel novella, WILD ATTRACTION, available now.
